Where Do I Find my Return Label and Instructions on How to Return It?

There are two ways you can find the label and instructions to return them. You can EITHER (A) access it from the "returns" page or (B) access it from the "purchases" page. Remember to be logged in to your Bookstore account.

The screenshot displays the TextbookX website interface. At the top, there is a navigation bar with links for "SELL", "RETURNS", "TRACK", and "HELP". The "RETURNS" link is highlighted with a red box, and a red arrow points to it with the text "(A) access label from 'Returns'". To the right, a user profile dropdown menu is open, showing options like "Purchases", "Track Order", "Book Sales", "eLibrary", "Messages", "Settings", and "Log Out". The "Purchases" option is also highlighted with a red box, and a red arrow points to it with the text "or (B) access label from 'Purchases'". Below the navigation bar, there is a search bar with the text "Find Your Course" and a magnifying glass icon. Further down, there are dropdown menus for "TERM" (set to "Spring 2021"), "CAMPUS" (set to "Select Campus"), and "Select Course". A text prompt on the right says "Select your course to view course items."

A. Access Rental Control Panel from Returns Page:

1. Log in to your account and then click "Returns" at the top of the website (pictured on first page).
2. Use the drop-down menu to select the Order ID with rental textbooks.
3. Rental textbooks will have a link to the "Rental Control Panel." Click the link.
4. Follow instructions to print the label and send the books.
