

Carpentry Early Admissions Academy

Instructor: Brian Ondrashek

Credits: 27

Location: Calmar, IT Building

Entry: Fall / Spring Semester

The Carpentry Early Admissions Academy is designed for students who enjoy being hands-on in the classroom and have a detail-oriented focus. The academy combines classroom education and practical hands-on experience in basic residential carpentry. The academy consists of a year-long sequence of courses that can be used toward degree completion in the NICC Carpentry program.
