Admission Requirements

High School Completion.

Certify you are a high school graduate or have a high school equivalency diploma (HSED). All documents must be submitted to the Northeast Iowa Community College (NICC) Admissions Office. » admissions@nicc.edu Placement Assessments.

Placement Testing.

Electrician applicants must satisfy the math placement test requirement, satisfy the math high school requirement of cumulative GPA 2.80 or above if graduation date is within 5 years of admission application date, or show completion of approved college coursework. Requirements may be satisfied by college or high school coursework, or completing one of the following placement assessments: ACT®, ALEKS® or SAT®. Students should submit their high school or official college transcripts or assessment results to the Admissions Office for consideration of an assessment waiver. The placement assessment must have occurred within three years of your application date. Minimum requirement for math placement:

- ALEKS® minimum score: 30 | ACT® math minimum score: 19 | SAT® math minimum score: 510

Admission Status

Pending Requirements.

Students with a pending requirements status have submitted an application to the Heating and Electrician program, but have not completed one or more of the admission requirements outlined above. Students with a pending requirements status are not ranked on the waitlist until all requirements have been satisfied.

Waitlist.

Waitlist students have all the admission requirements completed and are waiting for acceptance into the Electrician program. A waitlist is necessary due to limited capacity for enrollment in the program. Students are ranked on the waitlist based on the date they complete all admission requirements.

Accepted.

The Electrician program begins in the fall each year. Students at the top of the waitlist will be offered entry into the program and will be required to respond to the Admissions Office if they are interested in enrolling to avoid cancellation of their application. A student who refuses an acceptance offer will be placed at the bottom of the waitlist as of the date admissions receives notice of their intent not to enroll.
